

Did you know that last year Upper New York food banks served more children and senior citizens than ever before?

In Upstate New York, **over 800,000 people struggle** to find enough food to meet their needs.

The face of hunger is changing and the neighbors around us are going hungry and **need our help.**

On **October 15th**, join area United Methodists to impact hunger in your community. Through food drives, community gardens, kitchen feeding programs, "fill-a-backpack, feed-a-family" initiatives and more, **we CAN make a difference.**
